Givry Rouge
2024

(85-87)

The 2024 Givry Village comes from five hectares of vine. This has plenty of raspberry and crushed strawberry on the nose, well-defined with ample fruit. The palate is medium-bodied with light tannins, fresh and quite dainty with just a little attenuation towards the finish.

Decent early drinking.

Givry Rouge *Champ la Dame* - 2024

(87-89)

The 2024 Givry *Champ La Dame* comes from two hectares of vine. This has a little more lift and delineation on the nose, with an underlying cool glade/cold stone element tucked under the raspberry and cranberry fruit. The palate is medium-bodied with pliant tannins, a keen line of acidity, quite elegant in style with a cohesive finish. Enjoy over the next four to five years.

Givry Rouge 1er Cru *La Grande Berge*- 2024

(89-91)

The 2024 Givry *La Grande Berge* 1er Cru comes from a large parcel of over a hectare. This has one of those aromatics where you might think there are some stems in the blend thanks to the hint of pepperiness that permeates the red fruit. The palate is medium-bodied with very pliant tannins. There is a sweet core of red fruit and silky tannins with, again, a more spicy finish. This should drink well for several years.

Givry Rouge 1er Cru *Ozymandias* - 2024

(87-89)

The 2024 Givry *Ozymandias* is a blend of two Premier Crus and is made in a more modern style from Pinot Fin vines planted in 2012 and 2016. This is riper than the *Champ La Dame* with a touch of violet. The palate is sweet and ripe on the entry, rounded in style yet there is a keen line of acidity, quite plush for the vintage with a dab of allspice towards the finish. Give this six months in bottle before broaching.

Givry Rouge 1er Cru *Clos Charlé* - 2024

(89-91)

The 2024 Givry *Clos Charlé* 1er Cru is more backward on the nose with dark berry fruit, touches of cassis and iris flower. The palate is medium-bodied with bright and perky good tension with a keen line of acidity. One of the more elegant wines from their range, this is a delightful Givry that comes recommended. Sadly, this was nixed in 2025 by the summer heat and was blended into the *Ozymandias* cuvée that year.

Givry Rouge 1er Cru *Clos du Vernoy* - 2024

(88-90)

The 2024 Givry *Clos du Vernoy* 1er Cru comes from a monopole owned by the Domaine, the oldest vines planted in 1960. This has a more reticent nose despite encouragement, dark berry fruit laced with sous-bois, though at present this is very tightly wound. The palate is medium-bodied with fine tannins, a pleasant sapidity here with a gentle grip on the finish, though the *Grande Berge* and *Clos Charlé* have a bit more flourish overall.

Givry Blanc
En Chenèves - 2024

(89-91)

The 2024 Givry *En Chenèves* Blanc has quite a stern nose, greengage and nettle, oddly a little reminiscent of a fine Muscadet. Nothing wrong with that! The palate is fresh on the entry with crisp dewy green apples, Cornice pear and a touch of spice on the lively finish. Makes you dream of a plate of oysters to go with it!

Givry Blanc 1er Cru *Les Grandes Vignes* - 2024

(90-92)

The 2024 Givry *Les Grandes Vignes* 1er Cru Blanc comes from a tiny plot and only produces around 1,000 bottles. This offers orchard fruit and light chai scents on the nose that gain intensity in the glass. Fine delineation. The palate is well balanced with apricot and white peach on the entry. Bright acids, this white Givry gets the saliva flowing and there is plenty of length on the finish too. Excellent.
