

Givry Rouge

2023

(90)

Drawn from eight plots and raised in used oak, the 2023 Givry Rouge is a floral, fruit-driven wine with a fluid, unforced profile.

Medium- to full-bodied, it offers ripe red fruit accented by a touch of eucalyptus-like herb and pepper. Powdery tannins shape a supple texture, then build quietly at the end to extend the finish. The wine is straightforward in intent but deeply satisfying.

Givry Rouge
Champ la Dame - 2023

(90)

The 2023 Givry *Champ la Dame* opens on a dark-fruited profile, led by blackcurrants and blackberries with a cool eucalyptus note. Aged in used oak, it's suave, with fluid fruit framed by dusty tannins. Straightforward and well-proportioned, it concludes cleanly with a tactile finish.

Givry Rouge 1er Cru
La Grande Berge - 2023

(91)

The 2023 Givry 1er Cru *La Grande Berge* comes from the top of the hill on Marne Blanche from vines planted in 1985 and reads as a classic, site-defined Givry. Aromatically, it turns on small red fruits with a cool thyme nuance, plus a faint suggestion of spice. A persistent line of tension runs through the medium-bodied wine, shaping a straight, poised palate. While it suggests whole-cluster freshness, that impression actually comes from the wine's dimensional register rather than stem inclusion. It's a fresh wine that invites you to keep going back for more.

Givry Rouge 1er Cru
Ozymandias - 2023

(91)

Taking its name from Percy Bysshe Shelley's poem, the 2023 Givry 1er Cru Cuvée *Ozymandias* comes from two premier cru plots, blending Pinot Noir and Pinot Fin. Vivid and immediately engaging, it centers on bright acai-tinged berries and cherries, with a blood-orange lift that keeps the palate fresh. Oak plays a supporting role, adding a dry, spicy frame and guiding the wine toward a lightly nutty close. Very fine, powdery tannins and tangy acidity keep it buoyant and easy. It's a highly quaffable red with light-footed, fruit-forward charm.

Givry Rouge 1er Cru
Clos Charlé - 2023

(92)

The 2023 Givry 1er Cru Clos Charlé opens with a mix of toned red fruit, accented by a fresh, basil-like herbal note and a touch of sweet spice. The attack is bright and precise, and the ripe, chalky tannins provide structure without undue grip.

Medium-bodied, the fruit is lifted and almost weightless on the palate, yet a smoky core from the iron-rich soils roots the wine and lends it an extra dimension. Serious in shape but animated and highly drinkable, the wine is especially engaging.

Givry Rouge 1er Cru
Clos du Vernoy - 2023

(91+)

The 2023 Givry 1er Cru *Le Clos du Vernoy* Monopole comes from 0.7 hectares planted in 1961 and sees 20% new oak, which it handles easily thanks to its darker, more serious fruit profile. There's good purity throughout, with bramble and blackberry bush notes over a darker-soil register. Ripe acidity and powdery tannins provide a good base of tension that cinches the medium- to full-bodied wine into focus.

Givry Blanc 1er Cru
En Chenèves - 2023

(90)

The 2023 Givry *En Chenèves* opens with a candied nose of peach, lychee and honey. Ripe and broad-shouldered on entry, it sits medium-to full-bodied in weight, yet the vineyard's northerly exposure keeps the profile neatly balanced, drawing in lightly bitter gooseberry and citrus tones and keeping it from tipping into outright fleshiness. It resolves with a creamy, oak-framed finish.

Givry Blanc 1er Cru
Les Grandes Vignes - 2023

(90+)

The 2023 Givry 1er Cru *Les Grandes Vignes* Blanc comes from a limestone-rich parcel behind the church, bordered by a small stream. It opens with white flowers and ripe citrus, then takes on a subtle vanilla-oak accent. The palate shows a concentrated core of flavor, yet the texture stays fine and lifted, giving the wine an airy, ethereal carriage rather than weight. It remains a bit tight at this stage; give it at least a few hours of air if drinking now, or hold for a few years to let it settle in.
